

Dear Wesley,

7/13/82

We made it to Betty's place in  
Frederickton, N.B. ok, and plan to  
head south along the coast tomorrow.

It presently looks like our  
plans for southern Ontario will  
be delayed by one day over the  
schedule I proposed earlier.  
Barb wants to visit a childhood  
friend in Syracuse on Sun. 7/25  
because the friend will not reach  
Syracuse until the night before.  
This means we won't arrive in  
Port Rowan until the evening  
of July 26. Also, July 27 may  
not be the best day to spend at  
the Sandhills because on that  
day we have to get Casey to  
the bus station in London around  
noon so that she can get to  
Chicago in time to leave with her  
father on a trip to California.  
Perhaps July 28th (Wed.) would be  
the best day to spend at the

Sandhills if it fits your schedule.

Final arrangements can await our arrival, but here is one possible schedule:

1. Late 7/26 arrive at Wesley's.
2. Late morning 7/27 take Casey to London bus depot and then continue to Clifford's.
3. 7/28 spend day at Sandhills with both families, <sup>visit Park family home in Fair Grounds,</sup> then spend the night at Wesley's.
4. Early afternoon on 7/29 proceed to Clifford's, spending the night there and leaving for home early the next day. (A visit to Delhi could be included either late 7/28 or early 7/29).

Hope to see you soon,

Robert Park
